

SunJet Simulations Fearless Flyer Program

Segment Costs.

The first step of the program is the two hour session at the Australian Hypnotherapy Centre with Silke Herwald. Through consultation with her, the basis of your anxiety when it comes to flying will be determined. Based on the information discovered during this session, the best course of action to address your fears will be formulated. Not every step of the five may be necessary and the final price of your personalized program will reflect what is actually needed to help you address your anxiety.

Step One: 2 hour session with Silke Herwald (payable at time of session).....\$300.00

Step Two: 1.5 hour session with a professional pilot who will provide understanding to all the many different technical aspects that govern the world of flight.....\$250.00

Step Three: 1.5 to 2 hour session in a full sized 737 flight simulator going over all aspect of the operation of a modern jet airliner.....\$275.00

Step Four: 1 hour session back with the Mind Trainer to discuss your experiences since the first session and provide further mind training therapy.....\$150.00

Step Five: 1.5 hour flight in a Piper Light Sport aircraft. Included pre-flight briefing and familiarization tour of the aircraft.....\$300.00

Cost of FULL program:.....\$1275.00

As mentioned, the cost will be adjusted depending on what steps have been performed.
